### **2008 GREAT TEXAS WARRANT ROUND-UP**

It's time to get started with the **2009 Great Texas Warrant Round Up**. The round up arrests will begin on Saturday, March 7, 2009. Your roundups should be concluded no later than Monday, March 16<sup>th</sup>. Notices should be mailed three weeks earlier, on or around Friday, February 13, 2009. A number of press conferences are scheduled each year on or near the date the notices are mailed so we don't want to tip the media off before then if possible. Last year, a number of media outlets contacted us about the date and they were just told "we will be having one in the spring and will make an announcement closer to the date". It worked!

If you want the name of your entity to be included on other entities' notices, you need to have committed to participate no later than **January 2, 2009**.
