UPCOMING MEETING

BrainMode Power-

W. D. Smith - *President / Trainer* left behind the corporate work of Operations, Inside Sales and Customer Service to join his mother, Barbara Burnett Smith, in the family business. The change came easily as he had the support of Martie, his wife of sixteen years, and his children, Tyler and Shelby. Besides managing the company, W.D. with his family stay busy with their new home and the acreage. When not training or improving the property, W.D. can be found wade fishing the bay. Having grown up on a farm in Brady, TX, he likes to say that he's a "country boy in a business suit." Those hard-working ethics of the country are still maintained today. Today Catalyst is enjoying its success with the help of many other trainers, production personnel and partners.

W.D. Smith conducted customer service training for our chapter last year and was very well received. Don't miss it!!!
