Chapter Steering Committee Policies and Procedures
February 2018

I. PURPOSE

The Chapter Steering Committee is responsible for promoting state chapters. They will assist potential and existing chapters in establishing and defining their boundaries; promoting attendance at meetings and education sessions; as well as with any issues the chapters may have. The committee upon request will provide a copy of the TCCA Policies & Procedures Manual to potential and existing chapters for guidance and instruction.

II. MISSION STATEMENT

To organize Chapters in areas and establish a network of support for the Association and to offer a variety of educational opportunities for its members.

III. CHAIRPERSON

The Chairperson of the Chapter Steering Committee is appointed by the President at or immediately after the Annual Meeting and will serve until the next Annual Meeting, or until their respective successor is appointed.

IV. COMMITTEE

Chapter Steering Committee membership consists of all Chapter Presidents or a Committee member will be appointed by the Chapter Steering Chairperson upon request of a TCCA member.

V. BOARD MEMBER/MEETINGS

As a Board Member, there are three Board Meetings and one Annual Business Meeting per year. The Pre Conference Board Meeting, Annual Business Meeting and Post Conference Board Meeting are usually held in October. The Spring Board Meeting is usually held in the spring. Failure to attend three of these four meetings beginning at the Post Conference Board Meeting for a twelve –month period shall constitute good cause for removal from office, unless good cause is shown and
approved by the Board of Directors. Expenses to attend the Spring Board Meeting are paid by TCCA. Expenses for all other meetings are not reimbursable by TCCA. Budget restraints do not constitute “good cause” for absence from TCCA Board meetings. Committee Chairpersons who are not serving as an elected board member or chapter president will not be required to attend all meetings. The Executive Board will review the agenda for the scheduled meeting and determine which committee chairs will be required to attend the meeting.

VI. REPORTS

The Committee Chair will be required to submit a report to the Board of Directors during the Spring Board Meeting and Pre-Conference Board Meeting. The report should include committee membership information, information regarding committee meetings and financial information (if applicable). Reports should be submitted to the TCCA Secretary no later than the date requested by the TCCA Secretary or President. The Bylaws require that reports be submitted timely to the TCCA Secretary so that the TCCA Secretary has sufficient time to prepare and include the reports for board meetings. If you are unable to submit your report as requested, it then becomes your responsibility to contact the Secretary to confirm how many printed copies of the report you must bring with you to the meeting/s. A copy of the report must be sent to the TCCA Secretary via email in both Microsoft Word and PDF format for permanent electronic storage.

XI. STARTING A CHAPTER

The following are steps that can be taken to create a new chapter of the TCCA:

1. Contact Chapter Steering Committee Chair

   The first step in the process is to contact the Chapter Steering Committee Chair. It is the responsibility of the Chapter Steering Committee to research the area in question and conduct a survey to determine interest of other court personnel within the area. Once a survey is complete, the committee will provide interested parties with contact information for the clerk spearheading chapter formation.

2. Organizational Meeting

   Once there is an identified interest in creating a local chapter, the first meeting should be called with all interested courts and a member of the TCCA Board of Directors. This meeting helps to determine if there is a commitment to establishing a local chapter.

3. Application to Charter a Local Chapter

   If the commitment is made, the Application to Charter a Local Chapter must be filled out and submitted to the TCCA Board of Directors for acceptance.

4. Chapter Meeting

   Upon acceptance, a second meeting should be scheduled to:
   a. Select Officers- usually the first officers are volunteers
   b. Adopt By-Laws - Chapter must adopt the TCCA By-Laws
   c. Schedule future meetings and locations. The first series of meetings will be planning sessions and membership drive strategies. Meetings can be scheduled every month, every other month or quarterly. The location can be in one specific place or move from city to city. There are advantages to both methods. The Chapter Steering Committee will remain available to assist with these types of issues.
   d. A roster of the chapter’s Board of Directors should be forwarded to the TCCA Board of Directors as soon as possible, with details of when and how often meetings are to be held. The chapter president then becomes a voting
member of the TCCA Board of Director’s and will be required to attend all TCCA Board of Director’s meetings (Spring Meeting; Pre Conference Meeting; Annual Business Meeting; and Post Conference Meeting). The chapter president will be responsible for submitting a chapter report at all TCCA Board meetings.

5. Education

The chapter should arrange to provide further educational opportunities to its members based on the needs of the membership. The following are possible resources for educational training:
Area Judges
Colleges
Court Personnel
TMCEC
State Board Members
Other Chapter Members

6. Fiscal Responsibility

When the application is accepted, submit a request for seed money to assist in the formation of a new chapter. This seed money should be deposited into a bank with little or no charge for a non-profit organization and handled in accordance with the financial guidelines of the TCCA.

All membership dues will be paid at the State level. The TCCA Treasurer will inform the chapter of the policy for remitting money due to the chapter. The Membership term is on a calendar year cycle.

It is good practice to have a line item budget to present at the first chapter meeting for approval by the membership. Revenues are received from the membership dues and educational meeting fees if charged by the chapter. All line item budgets should be presented to the state upon approval by the chapter membership.

The Chapter Steering Committee is available at any time to assist in any way possible to formulate a new chapter or offer assistance to existing chapters.

XII. OFFICERS
The Officers of each Chapter of TCCA shall consist of a President, Vice-President, Secretary and Treasurer.

The Officers shall be elected at the Chapter’s last business meeting of each year and shall serve two-year terms beginning January 1 and ending December 31. The President and Secretary shall be elected at the chapter’s last business meeting of the even years of the Association. The Vice-President and Treasurer shall be elected at the Chapter’s last meeting of the odd years of the Association. There are no term limits for Chapter Officers.

The President, with a majority approval of the Chapter membership, shall fill any vacancy left by an Officer, irrespective of the length of term remaining before annual Chapter elections.
